Kidz Golf Programme

Why Kidz Golf is the **ULTIMATE** Golf Tuition Programme for Kids.

The Kidz Golf Tuition Programme is guaranteed to provide lots of fun to children of all ages and is the ultimate way for your child to learn to play golf. We provide your child/ren with all the basic skills and techniques needed to enjoy golf and develop as a young player. The programme includes a comprehensive range of golf skills from driving to putting, all delivered in a fun and engaging way to ensure learning. *All children receive a cool Kidz Golf work folder and Certificate.*

Kidz Golf Tour/Playing a Length Appropriate Course

Our length appropriate golf course distances for kids are measured by average driver length, also guided by age. The aim is to achieve a score relative to par which can help calculate a handicap relative to the 'par' of the course on our length appropriate course. We encourage playing from a very early age and we structure small competitions called 'Kidz Golf Tour' which we run every term.

Kidz Golf Camps

Our golf camps are the perfect introduction to this wonderful game and for the more experienced golfer a great opportunity to hone your golf skills. These **FUN** packed days cover all shots from short putts, splashing out of bunkers and to chip shots to hitting long straight drives! Delivered by highly trained and experienced PGA Professionals who hold a valid CRB certificate, paediatric first aid certificate and keeping children safe in sport certificate. We provide all equipment needed and guarantee your child/ren will be hooked by the end of the week!

We award learning and improvement

We have developed a unique 'Golden Golf Ball' system to award kids who show good looking, listening and learning skills throughout a Kidz Golf lesson. Golden Golf Balls aren't just given out they have to be won throughout a session through continued excellence! There is also an opportunity to trade them in for bigger and better prizes such as....

5 Gold Balls = Triple Trouble Joke Balls **10 Gold Balls = Kidz Golf Cap** **15 Gold Balls = Golf Club (iron)**

Certificate Presentation

Completing a Kidz Golf Programme level (1-8) is a big achievement so we celebrate this at our awards presentation inviting friends and family along. To pass a level kids are required to complete several skills challenges, memory tests and playing on the golf course which all require focus and hard work.
